August 5, 2009

Dear Campers and Parents,

Here is a tentative camp, a list of essentials for Camp, a list of Camp Greenville rules, and most importantly, an **Agreement and Consent Form** and a **Participant's Medical Form**. **You Must Bring these completed forms with you to Camp or you will not be allowed to stay!** Also, **don't forget your music stand!**

If you have not let me know that you are attending camp, please do so immediately! I also need to know your T-shirt size.

Please be certain to **eat supper before your arrival** Friday night. With everyone coming from so many different locations, it is impossible to organize an evening meal.

There will be a brief parents' meeting immediately following the concert on Sunday. Handbooks and schedules for the 2009-2010 season will be distributed at that time. Also, Sally Foster packets will be distributed to all orchestra members that wish to take part in that fund raiser. Remember, the Carolina Youth Symphony uses the sale of the wrapping paper as an individual fund raiser for orchestra members. Your young person gets ½ of all Sally Foster sales deposited in their individual account which can be used for tuition or trips the orchestra might take. Barbara Cooke is President of the Parents' Guild and she will speak with you about the opportunities available with that organization. We hope everyone will want to take an active role in the guild this year.

See you on the 14th.

Lee Elmore
Executive Director

REMEMBER:

If you have not let me know your plans about attending camp, please do so immediately! We must let Camp Greenville know how many campers we intend to bring. I also need to know your T-shirt size.
