

Carolina Youth Symphony Audition Requirements

Auditions for any Carolina Youth Symphony orchestra will include:

1. **A prepared solo** that demonstrates the musician's highest level of ability. The solo should give the performer the opportunity to demonstrate contrasting lyrical and technical passages. Memorization, accompanists and duplicate music copies are not required.
2. A short **sight-reading** example. *String players only: Sight reading material will be provided to the string musicians 20 minutes in advance of their scheduled audition.*
3. **Prepared scales** are a major component of the audition. Musicians should demonstrate good tone, pitch and rhythm while performing each scale. Memorization is preferred. Scale requirements are listed below.
