to encourage interaction between members

same reasoning

obvious safety hazard

varmint control (keeps them out of the cabins)

obvious safety hazard

no explanation needed

**Camp Greenville doesn't allow dogs on the premises even on a leash, please do not bring your dog with you to take or pick up your camper**

This list was provided by Camp Greenville with some modifications to fit our weekend.

See you on the 11th!

**Please remember to bring a music stand.**

**\*\*\*Cell phone service is very limited and frequently isn't available at all. There is a public phone on site that your child can use. It is in the Hipp Cabin and the code 12345 will open the door. If you need to get a message to your child, you can call the CYS voice mail and leave a message and we will call you back. That number is 864-326-5490. We will check that number frequently.**
